FEATURES

BUSI DOPPIO TERRY is the ONLY single cylinder machine in the market having the possibility of knitting true rib socks having more than one needle in the rib and with terry.

Thanks to the latch needles in the dial and thanks to a patented method, this machine allows in fact the production of socks with rib 2x2, 4x2, 7x3 etc..

The terry device enables the fully automatic switching from plain stitch to half terry and to full terry.

The features of the machine are listed in the table below.
